## Thoughts of our valued clients.....

"It was a fantastic, memorable 'Value for Money' tour garnished with a touch of personal care by the leader Rukshi. I have been on many tours with numerous travel agencies and I assess this as 'The Best'. What I admire in Jetwing is their 'transparency' policy. They do not charge a penny over the quoted amount. The services provided by Jetwing could be categorised as 'Par Excellence'."

- Mrs. Puvu Domingopillai -

"Russian tour was an amazing experience. The tour was very well organized by Jetwing travels and Rukshi, the representative from Jetwing, was very helpful and nice. We travelled with a group of 20 people of different age categories and everyone had a good time. We were taken to see many beautiful & historical sites in Moscow & in Saint Petersburg. The highlight of the tour for me was the Swan Lake ballet at the Hermitage Theater. The tour guides in each city were very knowledgeable and had a good command of the English Language. I would recommend anyone to take this tour of a lifetime."

- Ms. Yasoja Weragoda -

"My wife Rohini and I joined the tour to Moscow and St.Petersberg arranged by Jetwing Tours in April 2017. We visited many places of interest such as the Kremlin, Museums, Art Galleries. Famous Churches etc. and the ballet "Swan Lake" staged in Petersburg. The tour was memorable and enjoyable due to the leadership given by Rukshi Jayasekera who saw to the needs of the group and further saw that the group blended with each other to make a happy family. The last night on tour ended with an Indian dinner and Rukshi providing the music, the group took to the floor and made it an enjoyable finale".
