Day 3 Sochi

Breakfast at the hotel

The Ekzarho - eco farm. On the territory of the complex you will find everything you need to enjoy the unity with nature, communication with animals, admiring the beautiful views and organic products. Eco farm Ekzarho has won a number of prestigious awards, as an object of ecological tourism of the Krasnodar region and can rightfully be called a landmark of the city of Sochi.

Here you'll have a chance to touch and feed the baby goats, meet and ride beautiful farm horses, to have a tasting of cheese and jam made of the farm products and to experience perfect serene atmosphere of the farm.

Lunch at the local restaurant

Arboretum botanical garden (Dendrarium) is considered to be one of the iconic places of Sochi, it is often called the «green heart of the resort» The Park is divided into two parts.

The upper part of the "Arboretum" features more than 1700 species of plants brought from different climatic zones of the world from each continent. Here you can admire the flora blossoming at any time of the year. In special enclosures live parrots, ostriches and proud peacocks. In a small backwater — swans and nutrias.

The lower part of the Park is smaller, but no less picturesque: hundreds of flowering plants, bamboo thickets, fragrant rose garden, cascades of ponds. Near the small ponds peacefully coexist decorative ducks, graceful swans and beautiful pelicans.
