

SNOWMOBILE TOUR – WINTER KIZHI

This snowmobile tour is a perfect getaway for those who have never tried snowmobiling as well as for those who want to experience true Karelian winter first hand. Woods glistening under a thick blanket of snow, endless frozen lakes and traditional Karelian wooden architecture unite in full harmony with fun and excitement that you get from riding a snowmobile.

Group: 6 - 16 pax

Duration: 2 days/ 1 night

Day 1:

07:00/ 08:30 Meeting at the railway station with the guide. Transfer from Petrozavodsk to Kedrozero Settlement (90 km).

Breakfast upon arrival. After breakfast, we take you through snowmobile safety instructions, do a riding briefing and equip you with boots, a special snowmobile suit and a helmet. Now it is time for your snowmobile adventure to begin!

Today we will cover the distance of 80 km and plunge into the idyllic winter landscapes and the thrill of speed. Starting in Kedrozero we drive through ancient Karelian villages **Pegrema**, **Yuzhny Dvor** and **Lypovitsy** and across the second biggest lake in Europe, **Lake Onego**, to the world known **Kizhi Island**. Tea with sandwiches on the way. Today's highlight is the **Kizhi Museum** of Wooden Architecture and Cultural History with its gem and a UNESCO World Heritage Site, Kizhi Architectural Ensemble.

Afterwards we drive to the tourist complex and get accommodated. Hot sauna and substantial dinner will make a final touch for your perfect winter day.

Day 2:

After breakfast, we head back to Kedrozero passing by the same villages of **Lypovitsy**, **Yuzhny Dvor** and **Pegrema**. Total distance 90 km. Tea with sandwiches on the way.
